

HELP NEEDED:

It has been sometime since I have asked for volunteers to provide a meal, visit, or telephone our shut-ins or others that are in need of this service. As you know, many of our parishioners have moved away. We also have been blessed with newcomers to our parish. For some, you may be at a point in your life where it might be easier for you to volunteer. Which ever you decide, you will be asked to volunteer for one day or time a month unless you express a desire to do more. The whole purpose of this service is to let our shut-ins and those in need of this service know they are not forgotten. Imagine if you can, our being in their position a few years down the line.

If you have questions please call Phyllis – 762-6992.

MEAL YES
VISIT YES
TELEPHONE YES

RESPITE VOLUNTEERS NEEDED:

Frequently, I have a request for volunteers to sit with a shut-in to give their caregiver a chance to get out of the house once in awhile. Please volunteer if you are interested in helping to give these caregivers a break. You can sit either 2 or 4 hours.
